

BTEC Works for Early Years

Professionals working in the Early Years sector create bonds with children that can have huge positive impacts on their development.

What a child learns about the world in the first months and years of their life is crucial, and you can experience the reward of being an important part of that.

Studying a BTEC in Early Years will prepare you for a career in a sector that values trust, kindness, creativity – and fun. You’ll experience an incredibly rewarding career, where you can go home at the end of the day knowing you have made a real difference to someone’s life.

What kind of career can I go into?

Here are a few ideas to get you started:

- Nursery Nurse
- Nursery Supervisor
- Early Years Educator
- Pre-school Leader
- Childminder
- Nanny
- Playgroup Assistant
- Teaching Assistant (Reception)
