

## Teacher's notes

The students fill in the crystal ball with pictures of who they would like to be in the future.

Do they want to be smart, funny, have a good job, live abroad, have a family, be rich, be a good friend, or help the planet? Which of the plans make one person happy (themselves) and which plans make the world better? Do they need to change any of them?

## Learning objective

- ★ **GSE Writing:** Can write basic, single-clause sentences, given a model.
