# THINKING — LIKE A NURSE —

Pearson is committed to helping students develop the clinical reasoning skills necessary to becoming practice-ready nurses. Our new suite of solutions possesses a unifying focus: to help you close the education-to-practice gap and empower your students to begin thinking like nurses.

**WILKINSON**

©2012 | ISBN: 0132181622

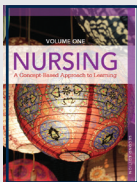

*Nursing Basics for Clinical Practice*

**BERMAN/SNYDER/MCKINNEY**

©2011 | ISBN: 0136035485

## CONCEPT-BASED CURRICULUM

**Nursing: A Concept-Based Approach to Learning** is the number one curriculum choice for concept-based Schools of Nursing. It is the only true concept-based learning solution and the only concepts curriculum developed from the ground up as a cohesive, comprehensive learning system. The three-volume series, along with MyLab Nursing, provides everything instructors need to deliver an effective concept-based program that helps students become practice-ready nurses. For more information visit [pearsonhighered.com/nursing-concepts/](http://pearsonhighered.com/nursing-concepts/).

*Nursing: A Concept-Based Approach to Learning*

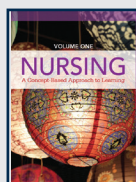

**NCCLEB**

©2015 | Volume I, ISBN: 0132934264

## NCLEX-RN® REVIEW

**Comprehensive Review for NCLEX-RN®, 3e**

**HOGAN**

©2018 | ISBN: 0134376323

**The ultimate NCLEX-RN® exam preparation guide.**

New and updated, the Third Edition of the best-selling Pearson Reviews & Rationales: Comprehensive Review for NCLEX-RN® offers a comprehensive outline review of the essential content areas tested on the NCLEX-RN® exam, including critical areas such as management, delegation, leadership, decision-making, pharmacology, and emergency care. These topics are incorporated throughout, with ample practice questions that simulate actual difficulty levels on the NCLEX-RN® exam.

The Third Edition provides students with access to Pearson Test Prep—a new web-based application that enables students to practice for the NCLEX anytime and anywhere using their smartphone, tablet, or computer. Pearson Test Prep includes all 1,600 questions from the book, plus an additional 4,000 questions, and features all NCLEX-style question formats.

## THE NEIGHBORHOOD 2.0

**IMPROVED USER EXPERIENCE!**

**The Neighborhood 2.0**

**PEARSON**

©2012 | ISBN: 013341695X

The Neighborhood 2.0 is a web-based program that has captured student interest like nothing you've ever seen! Follow unfolding stories of a virtual community and its health concerns—families, nurses, institutions and even a newspaper. Through video, photos and text, students are able to apply what they learn in lecture to patient experience, understanding the impact of illness on a person's life and family. (Various lengths available) [pearsonneighborhood.com](http://pearsonneighborhood.com)

## MyNursingLab™

### PROVEN RESULTS:

#### Pearson's MyLab/Mastering platform has helped millions of students

Provide your students with a one-of-a-kind guided learning path and personalized study plan! An engaging REVIEW, REMEMBER, and APPLY approach moves students from memorization to true understanding through application with:

- Even more alternate-item format questions
- More analysis and application-level questions
- An interactive eText (also available via iPad®) with multimedia resources built right in
- Updated gradebook functionality
- **NEW!** Practice Tests
- **NEW!** Clinical Decision Making Cases

## RealEHRPrep™ with iCare

RealEHRPrep with iCare is a real, evidence-based EHR learning system developed by healthcare information technology and learning experts. RealEHRPrep with iCare enables instructors to meet informatics competencies for electronic health records and practice information synthesis in preparation for clinical practice.

### RealEHRPrep with iCare:

- Provides access to an authentic EHR system with a true to life experience.
- Is easy to integrate into your program with dozens of pre-created case scenarios and exercises for use in skills labs and key course areas.
- Offers a simple, intuitive, cloud-based experience anywhere on any device.
