

Bug Club Phonics Progression Chart

Bug Club
Phonics

Bug Club Phonics is an evidence-based synthetic phonics teaching program featuring fiction and non-fiction readers designed for explicit instruction and independent reading. It follows the Letters and Sounds progression which has been shown to provide students with a solid foundation for reading.

This chart shows the order in which to teach Grapheme/Phoneme Correspondences (GPCs) and common irregular or high frequency words (tricky words).

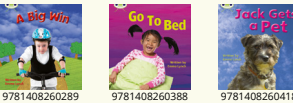

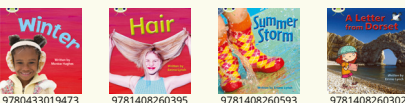

Pre Foundation
